

CUBE

SATURDAY, OCTOBER 23, 2010

9am – 3pm

Location: Chambersville Tree Farm

100 Years of Scouting

Southern Sky District

CIRCLE 10 COUNCIL

This is our second year for Southern Sky's CUBE, and if last year is an example it will be a huge hit this year too! This year's CUBE is once again a "family experience" in that elementary school aged siblings (K-5) may also participate in all the programs, with the exceptions of the Archery and BB Ranges.

What is CUBE?? It is 3-way fun for the Scouts:

- The hosting of stations (Each pack is responsible for helping staff and run a station)
- AND participating in the various games, crafts, and activities
- AND earning electives/achievements in the Tiger, Wolf, Bear and Webelos books!

How much?? \$10/Scout; \$5/elementary school aged sibling

Registration?? Please send email (by Pack) with: scout name(s), sibling name(s), phone number, and amount paid to Clint Tennill clint_tennill@msn.com by Friday, October 1, 2010. The Allen Scout Shop will take payment and late registrations until October 15th as well

Unique, specially designed patches will be distributed at the event only for pre-registered scouts and siblings. This helps keep our cost down and also helps each pack plan for the activities at the stations.

We need volunteers to help plan this event and each Pack is responsible for helping with an activity/booth. Please send me Pack Coordinator contact information by September, 30th so that information can be distributed.

If you have any questions, please contact our Event Chairman:

Clint Tennill clint_tennill@msn.com

214-850-1745

Look for registration forms at our Roundtables (first Thursday of every month).

Registration "cut-off date" is Friday, October 15th.

ONLY PRE-REGISTERED SCOUTS and SIBLINGS WILL GET PATCH.
